Practice Areas

Corporate, M&A and Venture Capital | Securities & Corporate
Governance

Eric Tausner is an experienced attorney whose practice focuses on corporate transactional matters, particularly mergers and acquisitions and corporate finance. He has extensive experience with acquisitions, divestitures and public and private financings in a wide range of fields, including manufacturing, retail, medical devices, software, communications, banking and internet-based ventures. His practice includes representation of public and private corporations, limited liability companies and partnerships, private equity funds and individuals. Eric also advises clients on general corporate and commercial matters and has extensive experience with securities law reporting and compliance.

Representative Transactions

- Represented private equity funds in portfolio acquisitions in media, consulting, restaurant and consumer products industries
- Represented fund investors in seed and growth equity financings and convertible debt financings.
- Represented owners and restaurateurs in hospitality and restaurant management transactions.
